

When Rennie Harris RHAW visited our elementary school, kids of all ages were thoroughly engaged from beginning to end.

This dynamic presentation combined an endless variety of dance moves with impressive acrobatics and exemplified how much fun physical activity can be. The crowd never stopped moving while Rennie Harris RHAW provided the perfect balance between performance and audience participation.

Not only were the kids treated to an amazing show, but they left with a great message about respect. Weeks later, the students and the adults were still talking about how much they enjoyed the show.

We would recommend Rennie Harris RHAW as a great addition to any Arts in Education , Wellness, or Character Education program.

Sincerely,
